

Zippy Golf Carts Canada

***Smarter
Greener***

Driven by Purpose.

www.zippygolfcart.ca

WHO WE ARE

We deliver smart, sustainable, and electric transportation solutions that reduce emissions without sacrificing performance or style. We provide reliable, low-impact vehicles that support cleaner operations and a greener future. With Zippy, going electric isn't just practical – it's a better way forward for your business and the planet.

Serving: golf courses, wineries, resorts, malls, event venues

“We make fleet management easy — and profitable.”

A white and black Zippy Golf Cart is parked on a grassy field. The cart has a black roof and a steering wheel. The background is filled with lush green trees and foliage. A large green diagonal shape is overlaid on the left side of the image, containing the text.

OUR PRODUCTS

END-USER EXPERIENCE

- ✔ Comfortable, stylish, quiet-enhanced play experience.
- ✔ Reliable performance = fewer breakdowns during play.
- ✔ Guests willing to pay more for premium carts → extra course revenue.

REVENUE MODEL FOR COURSES

- ✓ Courses rent carts directly to players
- ✓ New Zippy fleet = higher rental uptake & better margins
- ✓ Trade-in old carts + lease new ones → zero upfront burden
- ✓ Every cart becomes a profit center

TECHNOLOGY EDGE

- ✓ 5-year battery warranty
- ✓ Modular design → upgrades without added fees
- ✓ Aluminum chassis: rust-proof, long-lasting
- ✓ Built for durability & tomorrow's standards

PARTNERSHIP PROGRAMS

- ✔ Purchase your own customized cart fleet.
- ✔ Lease Buy-Out – we buy out your existing lease.
- ✔ Trade-In – we purchase old carts (15–20 yrs).
- ✔ Flexible Leasing – simple terms, new fleet today.
- ✔ Rent Zippy – Special seasonal prices.

WHY NOW?

- ✓ Industry shifting → eco-friendly, modern fleets are the standard.
- ✓ Guests demand premium carts → courses that adapt win
- ✓ Old carts = rising maintenance + lost rental revenue

Now is the time to upgrade so your course is ready
